Bay Area Video Coalition (BAVC): Next-Gen Animation Program

Mentee
Aug - Dec 2018

OBJECTIVE

As a Concept Designer, I am interested in bringing stories from a small spark to life, whether through intensive research or exploring aesthetics to help translate those stories into an experience worth enjoying.

WORK EXPERIENCE

Concept Artist - Bounty Heart USC GAMES

OCT 2021 - Present

Los Angeles, CA

- Conceptualized a variety of characters, props, weapons, and environmental pieces
- Worked closely with the Art director and team to meet the fantasy look fit for a roguelite RPG game style
- Supported look development with an extensive visual library, knowledge of costume design, and architecture.

Program Assistant Enterprise for Youth

July - Aug 2021

San Francisco, CA

- Worked alongside interns, job coaches, and mentors to ensure smooth workflows, processes, and completed deadlines
- Monitored project timelines and organized weekly workshops

Interior Design Intern Kendall Wilkinson Design

July - Aug 2018

San Francisco, CA

- Supported operational processes for Chief Design Officer for residential/commercial projects from conception to completion, increasing efficiency of workflow
- Researched and communicated with vendors on materials, textiles, supply chain items, and products sourcing, exceeding client expectations and creating a loyal clientele
